Thoroughly cooking foods of animal origin such as beef, eggs, fish, lamb, pork, poultry or shellfish reduces the risk of food-borne illness. Individuals with certain health conditions may be at higher risk if these foods are consumed raw or undercooked. Consult your physician or public health office for further information.

We strive to provide a large selection of products for guests who have certain food allergies, follow special diets or prefer specific ingredients. Despite taking every precaution, we cannot guarantee that our items are free of trace amounts of nuts, tree nuts, wheat, dairy, eggs, soy, fish, shellfish or other allergens.
